

## **Acknowledgement in Production Credits**

All productions that are approved for a tax credit shall be required to comply with the following provisions:

- Provide an on-screen acknowledgement to Film Wisconsin and include the Film Wisconsin logo and/or motion graphic logo with audio, as available, to be provided by Film Wisconsin to the applicant, except where that acknowledgement may be prohibited by any local, state or federal government policy.
  - The acknowledgement must include a five-second-long static logo in the end credits before the below-the-line crew crawl for the life of the project.
  - Such acknowledgement and logo shall appear on every episode of a television series, except in special, agreed-upon circumstances.

Film Wisconsin reserves the right to exclude the state's name in the credits of any tax credit-eligible production.
